

2025 Crisis Care Kit and School Pal Pak storage/transportation fee.

Our district is blessed to have someone who is gracious to take their time to drive our CCKs and SPPs to the warehouse. This saves all our churches a lot of money.

It is crucial that we follow ALL the guidelines when packing these boxes. We have had issues in the past with boxes being dropped off without the required check from the church to cover the storage costs. We respectfully ask that you ensure you drop your box off at the collection point WITH the check.

When you bring your boxes to district assembly, you **must have the following with you and meet the requirements previously stated on the CCK and SPP instructions:**

- 1. A check from your church or personal check will be presented at the time you turn your boxes in.**
- 2. Make your check payable to NC District NMI and “ earmark it CCK’s and SPP’s. The check is required at the time you drop it off when you come to MAC District Convention.**
- 3. Include the name and address of your church on the check.**

Please note dropping the boxes off is a process:

1. We will have one collection time and our workers will check in your box after they have recorded the check. Boxes cannot be received without the check.
2. \$15.00 per box covers the following: The \$12.00 storage fee required by the warehouse helps to ship these boxes anywhere in the world as needed. The extra \$3.00 covers the district cost of delivering the boxes to the warehouse.
3. Do not put the money in the CCK’s or SPP’s or banana boxes.

For more on CCKs and SPPs go to the NC NMI Presidents handbook for more information about this ministry. Ncnaz.org> NMI Tab> select the Presidents Handbook from this tab and look for the page number in the index.

NOTE ALL REVISED INFORMATION WILL BE ADDED AT THE END OF THE DOCUMENT.
