\$50 FEE INCLUDES 18 HOLES, FREE RANGE BALLS, CART, PRIZES & LUNCH

Oak Hollow is fortunate to have many of the unique characteristics of a Pete Dye design – Railroad ties, pot bunkers, several peninsula greens and even an island tee, make up a bevy of Pete Dye design features. However, our small, undulating greens serve as our most recognizable Dye trademark.

Oak Hollow Golf Course is a challenging, scenic layout that will test all your golfing skills. We hope that its beauty and superb conditions will make your experience a memorable one.

Oak Hollow Golf Course is a High Point Parks and Recreation Facility.
