

North Carolina Work & Witness Trip 2018

What: Rebuilding homes devastated by the Hurricane Harvey in south Texas. Some of the work will include: Installing sheetrock, installing flooring, painting, installing kitchen cabinets and appliances, and fixing and painting the house exteriors.

Where: Lake Jackson, Texas (south of Houston)

When: February 25 - March 3

Cost: \$500.00

We have wanted to go sooner, however the houses involved had to complete both electrical and plumbing work prior to our team's arrival. If you have any questions or would like to sign up please contact:
